

Sebastian Gonzalez

Computer Engineer

✉ - sgonz513@fiu.edu

☎ - [786-366-0453](tel:786-366-0453)

Profile:

A computer engineering student with a profound passion for artificial intelligence, software, hardware, and robotics, dedicated to continuous learning and eager to apply acquired skills for meaningful contributions in these subjects.

Education:

Florida International University
B.S. Computer Engineering

EST GRAD 2025
3.8 GPA

Relevant Coursework:

- Applied Machine Learning (CNT 4153)
- Programming II (COP 3337)
- Differential Equations (MAP 2302)
- Multivariable Calculus (MAC 2313)

Certificates:

AI-900: Microsoft Azure AI Fundamentals

Skills:

1. Programming Languages
Python, C++, Java, and JavaScript
2. Frameworks and Libraries
SciKit, Keras, NumPy, matplotlib
3. Miscellaneous
HTML, CSS, LaTeX, Microsoft Word, Microsoft PowerPoint, SolidWorks
